

Parents:

Help stop the spread of disease by washing yours and your child's hands before entering a child care space.

Available to you are:

- Soap and water the best defense against disease *or*
- Hand Sanitizer

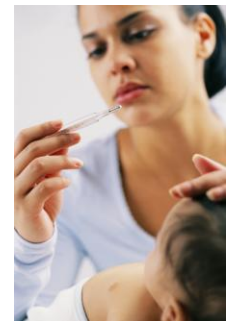

*Thank you for keeping our environment healthier!*

Parents:

To help ensure your child is well enough to attend our Child, Youth and School programs we encourage you to take your child's temperature each morning.

Please help yourself to one of our disposable thermometers.
